

Foundation Objectives:

The main objective of the foundation is to encourage young people as well as supporting persons who are dependent on others as a result of their physical, mental or emotional condition. According to our foundation goal, we support or rather promote projects especially in the field of:

- youth welfare/ volunteer groups and association activities
- persons that are dependent on aid due to their physical or social situation
- promotion of care responsibilities
- nursing care
- family centers
- organization of environmental care
