1. Google Maps

On our website we use Google Maps (API) from Google LLC, 1600 Amphitheatre Parkway, Mountain View, CA 94043, USA ("Google"). Google Maps is a web service that displays interactive (land) maps to visually represent geographic information. Using this service will show you our location and make it easier for you to reach us.

Already when you call up the subpages in which the Google Maps map is integrated, information about your use of our website (e.g. your IP address) is transferred to Google's servers in the USA and stored there. This takes place regardless of whether Google provides a user account that you are logged on to or whether there is no user account. If you are logged into Google, your information will be directly associated with your account. If you do not want your profile to be associated with Google, you must log out before activating the button. Google saves your data (even for users who are not logged in) as usage profiles and evaluates them. The collection, storage and evaluation are carried out in accordance with Art. 6 para. 1 f) DSGVO on the basis of Google's legitimate interests in the display of personalized advertising, market research and/or the demand-oriented design of Google websites. You have the right to object to the creation of these user profiles. You have to contact Google to exercise this right.

If you do not agree with the future transmission of your data to Google within the framework of the use of Google Maps, there is also the possibility of completely deactivating the Google Maps web service by switching off the JavaScript application in your browser. Google Maps and thus also the map display on this website can then not be used.

You can view Google's terms of use at <http://www.google.de/intl/de/policies/terms/regional.html>, and the additional terms of use for Google Maps at https://www.google.com/intl/de_US/help/terms_maps.html. Detailed information on data protection in connection with the use of Google Maps can be found on the Google website ("Google Privacy Policy"): <http://www.google.de/intl/de/policies/privacy/>
